- M.Tech. Total 63 Admissions in Academic Year 2023 – 24 (as against last year's count of 30 Admissions) attributed to 'Kalpataru Scholarship Scheme'
- First Year Under Graduate Admissions Trend reviewed for last 3 years – commendable increase in Percentile cut-offs and Quality Admissions

Dean Academics shared information regarding –

- Implementation of 'National Education Policy 2020' from Academic Year 2023 – 24 for First Year, related on-going activities, special features including Multidisciplinary UG and Indian Knowledge Systems (IKS) etc. and challenges to be addressed.
- Members suggested –
  - Receiving aid from Programs like Swayam Prabha (Prof. Mahadevan), NPTEL (Prof. Mishra), Train the Trainers and awaited Syllabus
  - Identifying a group of 5 – 6 Faculty and train them for IKS every year leading to creation of a Knowledge Pool
- Academic Audits based on defined parameters being conducted biannually since 2021, on-going activity for 250 Courses, Outcomes, Relative Grading, proposed Plan for Academics and Examinations as well
- Regarding concerning Admissions scenario for B.VOC (Solar) it was suggested to receive guidance from MEDA and other organizations of repute working in the domain and contacting Solar Companies with Proposals like Skills Enhancement Programs
- Regarding Experts to be nominated by Governing Body on Academic Council for Computer, AI & ML and Information Technology Data Science Members suggested contacting Dr. Ajay Deshmukh in addition to reaching out to other Experts.

## Suggestions –

1. Consideration Academic commitments (30 hours / week) of M.Tech. Students, they can be associated with Laboratory activities and Research Projects for 6 – 8 hours per week which will provide them with exposure and learning avenues in addition to justifying investments made in the Stipend
2. Computer Engineering Program (Regional Language) being offered and executed successfully is an achievement which needs to be published and branded thoughtfully
