Call for Seed Funding - "उद्योग-जिज्ञासा"

The Institute Seed Funding Scheme called "उद्योग-जिज्ञासा" is proposed to encourage the faculty members to work on problem statements of the industry. This will help the faculty to understand the practical/real-world research problems and to undertake the industrial research statements. Under this funding, faculty members are expected to identify the research problems of the industry and provide the satisfactory solution for these problems. Under this funding, faculty members are expected to identify the research problems of the industry and provide the satisfactory solution for these problems. The provision of seed funding of Maximum Rs. 2 lakh (not restricted to) is available.

A mandatory requirement for eligibility of this grant is that a letter of acknowledgement of the problem from the concerned industry should be attached with the proposal.

Mode of Proposal Submission: Soft Copy of Proposal to be emailed to researchpcoce@gmail.com
