

TIMES ENGINEERING INSTITUTE RANKING SURVEY 2016

The objective of this research was to identify and rank Top Engineering Institutes in India. The study had three major modules i.e. Desk Research, Factual Survey & Perceptual Rating Survey.

TOP 150 ENGINEERING INSTITUTE RANKINGS 2016

1	IIT, Kharagpur	55	Vel Tech Dr.RR & Dr.SR Technical University, Avadi, Chennai	100	Rizvi College of Engineering, Mumbai
2	IIT, Guwahati	56	Sathyabama University, Chennai	101	Pimpri Chichwad College of Engineering, Pune
3	IIT, Bombay	57	B.S Abdur Rahman Institute of Science and Technology, Chennai	102	Bangalore Institute of Technology, Bangalore
4	IIT, Delhi	58	Amrita Institute of Technology & Science, Coimbatore	103	Birla Institute of Technology, Patna
5	SRM Institute of Science and Technology, Chennai	59	Noida Institute of Engineering & Technology (NIET), Greater Noida	104	Dr. Ambedkar Institute of Technology, Bangalore
6	BITS Pilani, Pilani	60	Kongu Engineering College, Erode	105	Sharda University, Greater Noida
7	Delhi Technological University (DTU), Delhi	61	Bharati Vidyapeeth Deemed University, College of Engineering, Pune	106	Kakatiya Institute of Technology & Science, Warangal
8	IIT, Gandhinagar	62	Nirma Institute of Technology, Nirma University, Ahmedabad	107	Sri Sivasubramaniya Nadar (SSN) College of Engineering, Chennai
9	IIT, Roorkee	63	Jadavpur University, Faculty of Engineering & Technology, Kolkata	108	Christ University, Bangalore
10	Visvesvaraya National Institute of Technology (VNIT), Nagpur	64	Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat	109	Institute of Engineering and Science, IPS Academy, Indore
11	National Institute of Technology (NIT), Durgapur	65	Indraprastha Institute of Information Technology (IIIT), Delhi	110	Pune Institute of Computer Technology, Pune
12	Netaji Subhas Institute of Technology (NSIT), Delhi	66	College of Engineering, Anna University, Guindy, Chennai	111	University Visvesvaraya College of Engineering, Bangalore
13	Amity School of Engineering & Technology, Noida	67	Indian Institute of Engineering Science and Technology (IIEST), Shibpur	112	Hindustan Institute of Engineering Technology (HIET), Chennai
14	BMS College of Engineering, Bangalore	68	National Institute of Technology (NIT), Hamirpur	113	Madras Institute of Technology, Chennai
15	IIT- BHU, Varanasi	69	Chaitanya Bharathi Inst. of Technology, Hyderabad	114	Vasavi College of Engineering, Hyderabad
16	National Institute of Technology (NIT), Rourkela	70	ITM University, Gurgaon	115	Walchand Institute of Technology, Solapur
17	IIT, Ropar	71	Pranveer Singh Institute of Technology (PSIT), Kanpur	116	Hindustan College of Science & Technology, Mathura
18	Vishwakarma Institute of Technology (VIT), Pune	72	Vels University, Chennai	117	BRACT'S Vishwakarma Institute of Information Technology, Pune
19	Manipal Institute of Technology, Manipal	73	LD College of Engineering, Ahmedabad	118	Shri Ram Institute of Technology, Jabalpur
20	BIT, Mesra, Ranchi	74	BGS Institute of Technology (BGSIT), Bangalore	119	Sethu Institute of Technology, Virudhunagar
21	Indian Institute of Information Technology (IIIT), Allahabad	75	Vishwakarma Government Engineering College, Ahmedabad	120	Institute of Engineering and Technology, Indore
22	National Institute of Technology (NIT), Warangal	76	Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram, Chennai	121	S V University, College of Engineering, Tirupati
23	National Institute of Technology (NIT), Mangalore	77	Mumbai University Institute of Chemical Technology, Mumbai	122	Netaji Subhas Institute of Technology (NSTI), Patna
24	Govt. College of Engineering (COEP), Pune	78	Faculty of Engineering, DIT University, Dehradun	123	Don Bosco Institute of Technology, Mumbai
25	Sardar Patel College of Engineering, Mumbai	79	Dhirubhai Ambani Institute of Information and Communication Technology (DA - IICT), Gandhinagar	124	National Institute of Technology (NIT), Jamshedpur
26	Jawaharlal Nehru Technological University (JNTU), Hyderabad	80	P.E.S. Institute of Technology, Bangalore	125	G L Bajaj Institute Of Technology and Management Greater, Noida
27	Maharashtra Institute of Technology (MIT), Pune	81	Kasegaon Education Society's Rajarambapu Institute of Technology, Sangli	126	National Institute of Technology (NIT), Raipur
28	Vellore Institute of Technology (VIT), Vellore	82	Acharya Institute Of Technology, Bangalore	127	Bhilai Institute of Technology, Durg
29	Manav Rachna University, Faridabad	83	SCMS School of Engineering & Technology (SSET), Kochi	128	Dhole Patil College of Engineering, Pune
30	D Y Patil Group's: Ramrao Adik Institute of Technology, Navi Mumbai	84	Tula's Institute (the Engineering & Management College), Dehradun	129	Reva Institute Of Technology & Management, Bangalore
31	K L University, Guntur	85	Siddaganga Institute of Technology, Tumkur	130	PRIST University, Thanjavur
32	KIIT University (KIIT School of Technology), Bhubaneswar	86	Sanjay Ghodawat Institute of Technology, Management and Research, Kolhapur	131	G.H. Patel College of Engg & Technology, Vallabh Vidyanagar
33	International Institute of Information Technology (IIIT), Pune	87	Vignan's Foundation For Science Technology And Research University, Guntur	132	Graphic Era Institute of Technology (GEU), Dehradun
34	PSG College of Technology, Coimbatore	88	BIT Sindri, Sindri	133	Guru Nanak Institute of Technology (GNIT), Hyderabad
35	Motilal Nehru National Institute of Technology (NIT), Allahabad	89	Veer Surendra Sai University of Technology, Sambalpur	134	D.Y Patil College of Engineering, Akurdi, Pune
36	Malaviya National Institute of Technology (NIT), Jaipur	90	SVKM's NMIMS, Mukesh Patel School of Technology Management & Engineering, Mumbai	135	Pillai Institute of Information Technology, Engineering, Media Studies and Research, Raigad, Mumbai
37	IIT, Bhubaneswar	91	College of Engineering, Andhra University, Vishakhapatnam	136	Aligarh Muslim University, Aligarh
38	Osmania University College of Engineering, Hyderabad	92	Government College of Engineering, Amravati	137	Jawaharlal Nehru Technological University (JNTU), Kakinada
39	National Institute of Technology (NIT), Trichy	93	Maulana Azad National Institute of Technology (MANIT), Bhopal	138	Gokaraju Rangaraju College of Engineering and Technology, Hyderabad
40	National Institute of Technology (NIT), Calicut	94	College of Engineering, Thiruvananthapuram	139	CMR Institute of Technology, Bangalore
41	International Institute of Information Technology (IIIT-H), Hyderabad	95	National Institute of Technology (NIT), Silchar	140	Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara
42	The National Institute of Engineering, Mysore	96	Government college of Engineering, Aurangabad	141	Dayananda Sagar College Of Engineering, Bangalore
43	Indian School of Mines, Dhanbad	97	Institute of Aeronautical Engineering, Hyderabad	142	The Oxford College of Engineering, Bangalore

“STRONG ACADEMICS, HIGH EMPLOYABILITY AND A SOUND VALUE SYSTEM NEED TO GO HAND IN HAND —DR. PRASHANT BHALLA

HAND-HOLDING ON THE PATH THAT FITS!

Dr. Prashant Bhalla, President, Manav Rachna Educational Institutions (MREI) is a Post-Graduate in International Business and has done Industrial Electronics Engineering from Pune University. Dr. Bhalla is also the President of BRICS Council of Exercise and Sports Sciences and the recipient of 5th Bhartiya Manav Adhikar Samman 2015 as 'India's most eminent visionary mentor'.

Dr. Prashant Bhalla is also one of the promoter members of Education Promotion Society for India (EPSI). His contribution has been phenomenal as far as Higher Education and School Policy matters are concerned.

EXCERPTS FROM AN INTERVIEW WITH DR. PRASHANT BHALLA, PRESIDENT, MREI:

1. How happy are you with the way MREI has shaped up?

The vision of Dr. O.P. Bhalla behind establishing Manav Rachna Institutions was to nurture better human beings. For the last 19 years of our existence, we have been incessantly working in this direction. We have steadily moved past basic issues of infrastructure and sustainability towards contributing to the society in very real terms. Our students are working with the community to register a meaningful contribution towards betterment of society. We have succeeded in making our students capable to work for the common good. This, in essence, is 'Manav Rachna' for us.

Our students have shown exemplary commitment and excellence to achieve remarkable feats across fields. There have been IAS top rankers, CS toppers and many successful entrepreneurs among our students. Researchers among students have seen many laurels being brought to us. Industry mentors like Maruti, SAP, SUKAM, TCS, IBM, KPMG, NDTV, Cygnus, Fortis, Infosys have been monumental in scripting amazing success stories at MREI.

2. What is your vision for Manav Rachna Educational Institutions?

We follow international best practices. Our curriculum is relevant and updated, there is integration with knowledge partners and delivery is as per international norms.

Institutions at MREI- be it Manav Rachna University (MRU) formerly known as Manav Rachna College of Engineering, or Manav Rachna Dental College (MRDC) and Manav Rachna International University (MRIU) - have the coveted NAAC 'A' grade status, catapulting MREI to the big leagues of higher education.

At the level of Schools, the MREI universe with its seven schools in Delhi-NCR and beyond thrive not just on the CBSE curriculum, its mission and mantra of quality education is also based on academic collaborations with iCarnegie (USA) and International Primary Curriculum (UK). Three of our Schools are AdvancED (USA) accredited—an internationally acclaimed quality benchmark in school education.

MREI has academic collaborations with admired universities across the globe. Going forward, we aim for even better effort and outcomes.

3. What makes MREI stand apart from other multi-discipline institutes?

We have been striving to, and succeeded in creating a global level institution. Strong academics, research, employability, skill development, value system, community connect and collaboration — everything has to go hand in hand.

With Start-ups being encouraged, we are helping students to become job creators. Students are enabled to come up with a great idea and intellect to drive a start-up. Sustainability is another key focus area for us. For instance, we conducted a study on Badhkal Lake. Findings of that study are being implemented in Faridabad Smart City project. We have also taken a solar initiative in a nearby village, and are trying to help the Government in its social endeavours.

4. Would you like to tell us about a few key courses offered here?

Every course has been carefully designed - keeping in mind student interest and the demand - supply equation. We have introduced a course in Data Analytics as also Automobile engineering with design focus; Energy and Environment courses, Power Electronics specialisation course; Construction Management and Courses in Accounting and Finance are coveted.

5. It is said that faculty makes an institute. What is your take on this and what would you say about the faculty of your institutes?

We are centrally located and easily accessible from all parts of Delhi as well as NCR. Hence, we have been able to attract the best of talent. Among our faculty are professionals from IIT, NIT, bureaucracy and defence as well as other experts with excellence in their areas of specialisation.

6. MREI has an impressive campus recruitment rate.

We have a Corporate Resource Centre led by students. We have students driving things and projects. In addition, our collaboration and integration with companies gives the best to us. Our students have been placed with leading corporate houses like SuKam, TCS, Infosys, Cognizant, HCL Technologies, IBM, Accenture, Dell, Wipro, Ericsson, EXL Services, NIIT, Honeywell, L&T Infotech, Aon Hewitt, Micromax, Avery India, Capital IQ, Ceasefire, Covidien, Dell, Denso Subros, Eureka Forbes, Henkel India, Hewlett Packard, Microsoft, Nestle, NIIT Technologies, Oracle, among others.

7. Coming back to you personally, if we ask for your key ambition what would it be?

Private sector has been contributing well and has 85% share in professional education. Somebody really has to ensure that the contribution of the private sector is looked at practically and appreciated. As an educationist, I feel that public perception needs to be improved. Give credit to people who have been contributing.
