Budget Sanctioned	5500/-	Budget Utilized	5500/-

Description :

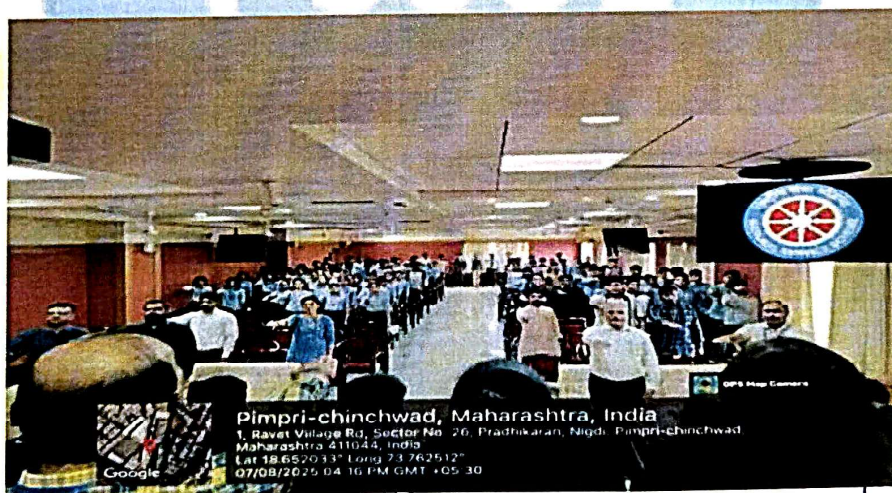

The NSS Induction Program for the academic year 2025-26 was successfully organized at Pimpri Chinchwad College of Engineering to welcome and orient the newly enrolled volunteers. The event commenced at 3:00 PM with the warm welcome of all dignitaries, faculty members, and volunteers, followed by the traditional Deep Pujan ceremony. The National Anthem was then sung by all present, creating a patriotic atmosphere. A welcome speech was delivered, introducing and felicitating the faculty members.

Dr. P.A. Deshmukh Sir addressed the gathering, highlighting the importance of discipline and service, followed by Prof. Sanjay Mapari Sir's speech on teamwork and commitment. A short video showcasing previous NSS events and achievements was then presented. Dr. Sandip Jagadale Sir shared his views on the impact of NSS on personal growth and community development. Badge distribution was carried out, officially welcoming the new volunteers into the NSS unit. Shantanu, the current President, shared his experiences and encouraged active participation, followed by the Alumni Felicitation ceremony.

The Ex-President, Sachin Girawale, then addressed the gathering, sharing his leadership journey and motivating the new members. The program concluded with a vote of thanks, marking a successful start to the year's NSS activities.

Description :

The NSS Special Session was successfully conducted on 13th August 2025 at the PCET Auditorium, Pimpri Chinchwad College of Engineering, as part of the NSS activities for the academic year 2025-26. The event commenced with the arrival of Hon. Avinash Dharmadhikari on campus at 11:55 AM, where he was warmly welcomed by the NSS team and escorted to the PCCOE Conference Room by Dr. Rawandale Sir. A brief interaction with the NSS members was held, after which the guest was escorted to the PCET Auditorium by Dr. Rawandale Sir and Dr. Padmakar Deshmukh.

From 11:55 AM to 1:30 PM, Hon. Avinash Dharmadhikari delivered an insightful and motivational session, sharing his valuable experiences, thoughts on leadership, and encouraging students to contribute actively towards nation-building and community service. His address inspired the audience to adopt discipline, dedication, and a positive approach in life. The session was highly interactive, with students engaging in discussions and seeking guidance on various aspects of social responsibility. The program concluded with a formal Vote of Thanks by the NSS team at 1:45 PM, expressing gratitude to the guest, dignitaries, and participants. This was followed by the National Anthem, marking the close of an impactful and inspiring event that left a lasting impression on all attendees.

Budget Sanctioned	0 /-	Budget Utilized	0 /

Description:

The NSS Unit of Pimpri Chinchwad College of Engineering (PCCOE) organized a Drug Awareness Program on 14th August 2025 to spread awareness among students about the dangers of drug abuse and the importance of narcotics control. The session was conducted in the Seminar Hall, Mechanical Building, from 3:00 PM to 4:00 PM.

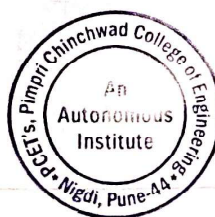

The resource person for the program was Hon. Nitin Phatagare, Senior Police Inspector of Ravet Police Station, Pune, who delivered an informative and impactful talk. He explained the legal, social, and health consequences of drug consumption and emphasized the importance of youth staying away from such harmful habits.

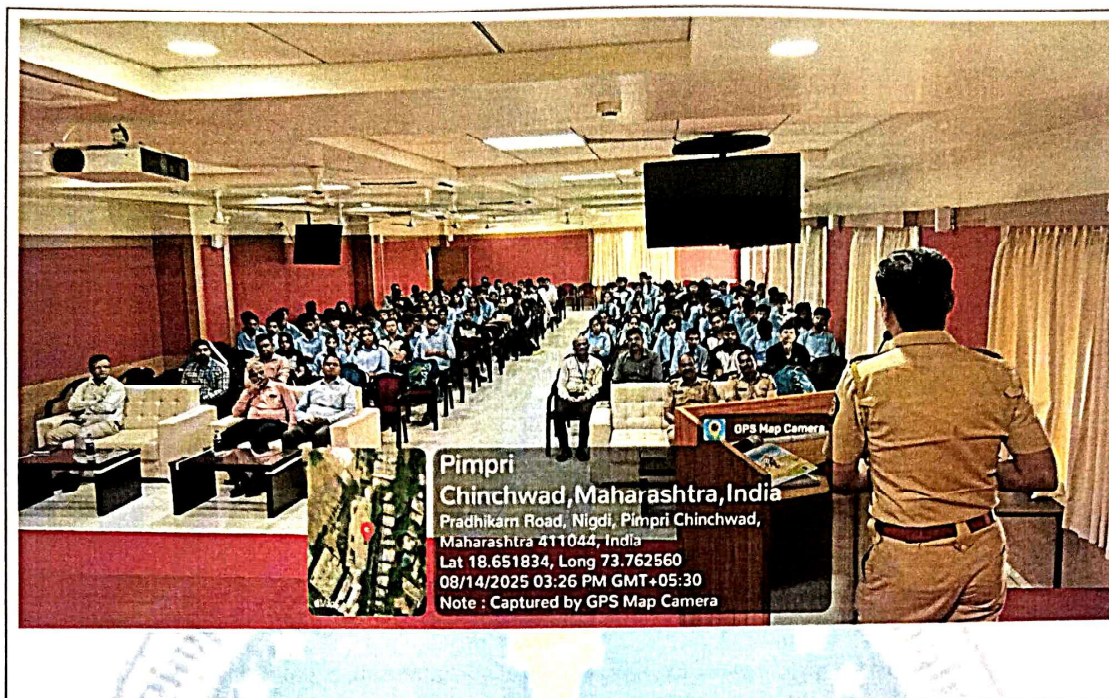

During the session, he shared real-life examples and experiences from police investigations, helping students understand how drug abuse can affect individuals, families, and society. He also discussed preventive measures, the role of law enforcement, and the responsibility of students in building a drug-free campus and community.

The program was interactive, with students actively asking questions and gaining valuable insights from the speaker. The event saw enthusiastic participation from NSS volunteers and students, making it an effective awareness initiative.

The program concluded with a vote of thanks to the guest speaker and all participants. Overall, the session was informative, engaging, and successful in spreading awareness about the harmful effects of drugs and the importance of a healthy lifestyle.

Name of Programme:	Har Ghar Tiranga & Rally		
Date of Programme:	15/08/2025	Venue:	PCCOE Campus & Surrounding Area (for Rally)
No of Volunteers:	10	No. of Beneficiaries:	500+
Budget Sanctioned	0 /-	Budget Utilized	0 /-

Description :

The Independence Day Celebration and Rally was organized on 15th August 2025 at Pimpri Chinchwad College of Engineering (PCCOE) with great enthusiasm and patriotic spirit. The event aimed to commemorate India's independence and to remind students about the sacrifices made by freedom fighters who contributed to the nation's freedom. Students, faculty members, and NSS volunteers gathered together to celebrate the occasion with pride and respect for the nation.

The program began with the hoisting of the National Flag by the dignitaries, followed by the singing of the National Anthem. The entire gathering stood with great respect and unity, creating a powerful atmosphere of patriotism. The flag hoisting ceremony symbolized the freedom, unity, and strength of the nation and reminded everyone of the importance of preserving these values.

Following the ceremony, a cultural program was organized where students showcased their talents through patriotic songs, speeches, and performances. These performances highlighted the courage and sacrifices of India's freedom fighters and leaders who played a vital role in achieving independence. The cultural activities inspired the audience and encouraged students to develop a sense of responsibility and pride toward the nation.

As part of the celebration, the NSS Unit of PCCOE organized a rally within and around the college campus to spread the message of patriotism, unity, and social responsibility. NSS volunteers actively participated in the rally by carrying banners and placards with meaningful messages. They also raised slogans promoting national unity, civic responsibility, and pride in the country. The rally helped create awareness among students and the surrounding community about the importance of contributing positively to society.

The active participation of NSS volunteers and students added great energy and enthusiasm to the event. The celebration not only honored India's independence but also encouraged students to reflect on their role in building a stronger and more responsible nation.

The event concluded with a vote of thanks to all the dignitaries, organizers, volunteers, and participants who contributed to the success of the program. Refreshments were distributed, and group photographs were taken to capture the memorable moments of the celebration. Overall, the Independence Day Celebration and Rally was a meaningful and inspiring event that strengthened the spirit of patriotism, unity, and national pride among everyone present.

Budget Sanctioned	0 /-	Budget Utilized	0 /-

Description :

As part of the Independence Day Celebrations 2025, the NSS Unit of Pimpri Chinchwad College of Engineering (PCCOE) actively participated in the national campaign "Selfie with Tiranga" to promote patriotism and support the Har Ghar Tiranga Abhiyan. The activity encouraged NSS volunteers and students to proudly display the Indian National Flag at their homes, hostels, and campus areas and capture memorable moments by clicking selfies with the Tiranga.

The main objective of the campaign was to strengthen the emotional connection of citizens with the National Flag and inspire a sense of pride and respect for the nation. Students and volunteers enthusiastically participated by taking selfies with the Tiranga and sharing them on social media platforms along with patriotic messages, helping to spread awareness about the initiative.

The campaign created a strong atmosphere of national pride and unity among students and faculty members. Through this activity, participants expressed their respect for the sacrifices of freedom fighters and celebrated the spirit of independence.

Overall, the initiative received active participation from students and faculty, making the Independence Day celebration more meaningful, engaging, and patriotic while promoting the values of unity, responsibility, and respect for the National Flag.

Date of Programme:	06/09/2025	Venue:	Ganesh Talav ,Nigdi
No of Volunteers:	33	No. of Beneficiaries:	3000
Budget Sanctioned	0	Budget Utilized	0

Description :

The NSS Unit of PCCOE organized the "Nirmalya Collection and Crowd Management" activity during the [specify festival, e.g., Ganesh Visarjan] to promote environmental awareness and ensure safety of devotees. The primary objective was to collect Nirmalya (floral offerings) separately from general waste to encourage eco-friendly disposal and reduce river pollution.

Volunteers actively guided devotees to deposit Nirmalya in designated collection bins. They also assisted local authorities and police in managing the large crowd, ensuring smooth movement and preventing accidents. The activity created awareness among citizens regarding cleanliness, environmental responsibility, and disciplined crowd behavior.

This initiative helped maintain hygiene in the temple premises/immersion sites, reduced plastic and floral waste entering water bodies, and supported the local administration in maintaining order. The dedication of volunteers was appreciated by citizens and authorities alike.

Name of Programme:	“सृजनरंग” जिल्हास्तरीय सांस्कृतिक स्पर्धा (पुणे शहर)		
Date of Programme:	12/09/2025	Venue:	श्री शिवाजी मराठा सोसायटीचे समाजभूषण बाबूराव ऊर्फ अप्पासाहेब जेधे कला, वाणिज्य व विज्ञान महाविद्यालय, पुणे - 02
No of Volunteers:	01	No. of Beneficiaries:	200+
Budget Sanctioned	0 /-	Budget Utilized	0 /-

Description:

I participated in the district-level cultural competition “सृजनरंग” organized under the joint collaboration of Savitribai Phule Pune University, National Service Scheme (NSS), and Shri Shivaji Maratha Society's Appa Saheb Jedhe College, Pune – 02. The aim of the event was to provide a platform for students to showcase their talent and to strengthen communication and cultural values among youth. The initiative not only celebrated the essence of independence but also strengthened the emotional bond of every student with the National Flag. The activity witnessed active participation from both students and faculty, making the celebration more meaningful and impactful.

I took part in the Marathi Elocution Competition (वक्तृत्व स्पर्धा). My topic was “शून्य कचरा व्यवस्थापन ही काळाची गरज” (Zero Waste Management is the Need of the Hour). In my speech, I emphasised the necessity of waste segregation, recycling, and adopting sustainable practices in our daily lives by giving various examples to create a cleaner and healthier environment. The competition was a learning experience. I got an opportunity to listen to the innovative thoughts and opinions of other participants. Although I initially felt nervous, the encouragement and support from my grandfather helped me stay confident and deliver my speech effectively. I realised that stage opportunities like this improve communication skills, build confidence, and give a chance to express meaningful ideas. For my participation, I was awarded a Participation Certificate, which has inspired me to take part in more such competitions in the future. Overall, the elocution competition was a memorable and enriching experience. It not only enhanced my communication skills but also deepened my understanding of environmental issues and the importance of responsible waste management. Thank You

Date of Programme:	15/09/2025	Venue:	College campus
No of Volunteers:	4	No. of Beneficiaries:	30
Budget Sanctioned	0	Budget Utilized	0

Description:

The NSS Unit of PCCOE organized a Shadu Mati Collection Drive during the Ganesh Visarjan festival with the objective of promoting environmental protection and reducing water pollution caused by idol immersion. The initiative focused on collecting Shadu Mati (natural clay) remaining after the immersion of Ganesh idols and encouraging its eco-friendly reuse.

NSS volunteers actively participated in the drive by visiting immersion ghats and nearby areas to collect the clay. They worked in teams and helped ensure that the clay was collected properly without affecting the surroundings.

The volunteers also interacted with devotees and guided them about proper disposal methods. They created awareness about the environmental impact of using non-eco-friendly materials and encouraged the use of eco-friendly Ganesh idols made from natural clay.

Through this activity, the NSS unit successfully collected around 300 kg of Shadu Mati, which was later handed over to PCMC (Pimpri Chinchwad Municipal Corporation) for recycling and reuse in future eco-friendly idol-making activities.

Overall, the event helped spread awareness about sustainable festival celebrations and environmental responsibility. The drive was conducted smoothly with the support and cooperation of students, faculty members, and local authorities.

Description:

The district-wise selection camp for NSS Volunteers, organized by SPPU (Savitribai Phule Pune University) on behalf of the Pune NSS department, was held on **15th September 2024**. This camp was a key part of the process to select participants for the state-level Republic Day celebrations in Mumbai and the national-level Republic Day celebrations in New Delhi, both scheduled for **26th January 2025**.

Two NSS volunteers from the university attended the camp, which involved a series of assessments, including:

1. **Parade Training:** Volunteers underwent detailed marching and parade drills to prepare them for participation in the Republic Day parades, which require precision and discipline.
2. **Physical Fitness (Running):** Volunteers participated in running exercises to evaluate their stamina and physical fitness, a crucial aspect for selection in both the state and national events.
3. **Cultural Activities:** Volunteers were engaged in showcasing cultural talents such as traditional dance, music, or performances, reflecting India's diverse cultural heritage, which plays a significant role in Republic Day festivities.

Interviews: Interviews were conducted to assess each volunteer's leadership skills, communication abilities, commitment to NSS values, and overall suitability for representing the university at the state or national level.

No of Volunteers:	91	No. of Beneficiaries:	91
Budget Sanctioned	6000/-	Budget Utilized	6000/-

Description:

On 24th September, the NSS Unit of PCCOE celebrated NSS Day with great enthusiasm and participation. The event brought together the Heads, Core Team members, and dedicated NSS volunteers, creating an atmosphere of unity, learning, and celebration. The program was organized to honor the spirit of the National Service Scheme (NSS) and to remind volunteers about their responsibility towards society and community service.

The highlight of the event was an inspiring interactive session with the present and former Programme Officers of NSS. During this session, they shared their valuable experiences from past NSS activities, camps, and social initiatives. They emphasized important values such as humility, leadership, teamwork, and self-development, and encouraged volunteers to actively participate in social service activities. Their motivational words inspired the volunteers to think creatively and contribute in meaningful ways to society.

The session took place from 11:00 am to 1:00 pm, where volunteers listened attentively and engaged in discussions with the speakers. After the session, a lunch break was arranged for all participants, providing them an opportunity to relax and interact with each other. The informal conversations during lunch further strengthened the bond among volunteers and NSS members.

In the afternoon, the event continued with fun games and interactive activities designed to promote teamwork, coordination, and bonding among the volunteers. These activities created a lively and energetic environment where everyone participated enthusiastically. The games not only entertained the participants but also highlighted the importance of team spirit and cooperation within the NSS unit.

The celebration concluded with evening snacks, where volunteers shared their experiences and reflected on the day's activities. The event ended on a joyful and positive note, leaving everyone feeling motivated, inspired, and connected. Overall, the NSS Day celebration successfully captured the true spirit of "Not Me, But You," encouraging volunteers to continue working towards the betterment of society.

Name of Programme:	Cleanliness Drive in Collaboration with PCMC Workers		
Date of Programme:	25/09/2025	Venue:	Bhakti-Shakti Chowk, Nigdi, Pune
No of Volunteers:	17	No. of Beneficiaries:	500+
Budget Sanctioned	00	Budget Utilized	00

Description:

The NSS Unit of PCCOE organized a Cleanliness Drive on 25th September 2025 at Bhakti-Shakti Chowk, Nigdi, in collaboration with the Pimpri Chinchwad Municipal Corporation (PCMC). The initiative was conducted as part of the NSS commitment towards promoting cleanliness, environmental awareness, and responsible citizenship. The drive aimed to encourage people to maintain hygienic public spaces and contribute to a cleaner and healthier environment.

The activity began at 8:00 A.M., with NSS volunteers arriving at the location on time using their own means of transportation. Before starting the drive, the volunteers were briefly guided about safety precautions, the importance of teamwork, and the objectives of the cleanliness campaign. Equipped with gloves, garbage bags, and other cleaning materials, the volunteers formed groups and began cleaning the surrounding areas.

During the drive, volunteers actively participated in collecting plastic waste, paper, and other litter from roadsides and public spaces around Bhakti-Shakti Chowk. They also interacted with local citizens, shopkeepers, and passersby to spread awareness about the importance of maintaining cleanliness and practicing proper waste disposal habits. This interaction helped in encouraging the community to take responsibility for keeping their surroundings clean.

The PCMC workers supported the initiative by providing manpower, cleaning tools, and waste collection vehicles. Their assistance ensured that the collected waste was properly segregated and disposed of according to municipal guidelines. The collaboration between NSS volunteers and PCMC staff made the activity more organized and effective.

Overall, the drive successfully highlighted the importance of clean public spaces and environmental responsibility. It motivated both volunteers and local residents to actively participate in maintaining cleanliness in their surroundings. The attendance of all volunteers was properly recorded, and the activity concluded successfully with a positive impact on the community and the environment, reinforcing the NSS motto of "Not Me, But You."

Name of Programme:	Sex Education Awareness Session under the Guidance of Dr. Dipak Kolte.		
Date of Programme:	07/10/2025	Venue:	LRDC Hall, 4th Floor, Building No.9, PCCOE.
No of Volunteers:	58	No. of Beneficiaries:	136
Budget Sanctioned	7500/-	Budget Utilized	7500/-

Description:

The Sex Education Awareness Session marked the Day 1 event of Anika-2025, the flagship event of the NSS Unit of Pimpri Chinchwad College of Engineering (PCCOE). The session aimed to promote awareness, understanding, and openness about sexual health and related topics among students, encouraging a healthy and informed approach toward these essential aspects of life.

The program began with the arrival of the chief guest, Hon. Dr. Dipak Kolte, followed by a welcome address and felicitation. A lamp lighting ceremony marked the formal inauguration of the session, symbolizing the enlightenment brought through knowledge and awareness.

Dr. Dipak Kolte conducted an insightful expert session, emphasizing the importance of sex education, reproductive health, consent, and the role of awareness in building a respectful and informed society. He addressed common myths, broke societal taboos, and encouraged responsible attitudes toward sexual health and relationships.

An interactive Q&A session was held, providing students with a comfortable platform to clarify doubts and engage in open discussions. The program concluded with a vote of thanks, expressing gratitude to the guest and the organizing team. A unique "Period Cramp Simulator Experience" followed, offering participants a practical understanding of menstrual discomfort, thereby promoting empathy and awareness regarding women's health issues.

Overall, the Day 1 event of Anika-2025 was highly informative and impactful, fostering awareness, sensitivity, and confidence among students to approach and discuss sexual health topics responsibly.

Name of Programme:	ANIKA Day 2: ME TOO - Our Answers Event		
Date of Programme:	08/10/2025	Venue:	6510 CR
No of Volunteers:	48	No. of Beneficiaries:	60
Budget Sanctioned	7500/-	Budget Utilized	7500/-

Description:

The event "ME TOO – Our Answers" was organized under the NSS Unit of PCCOE to promote awareness and dialogue on mental health and women empowerment. The program was divided into two parts — a mental health awareness session followed by a debate competition. The event aimed to encourage students to understand the importance of emotional well-being and to express their opinions confidently on social issues.

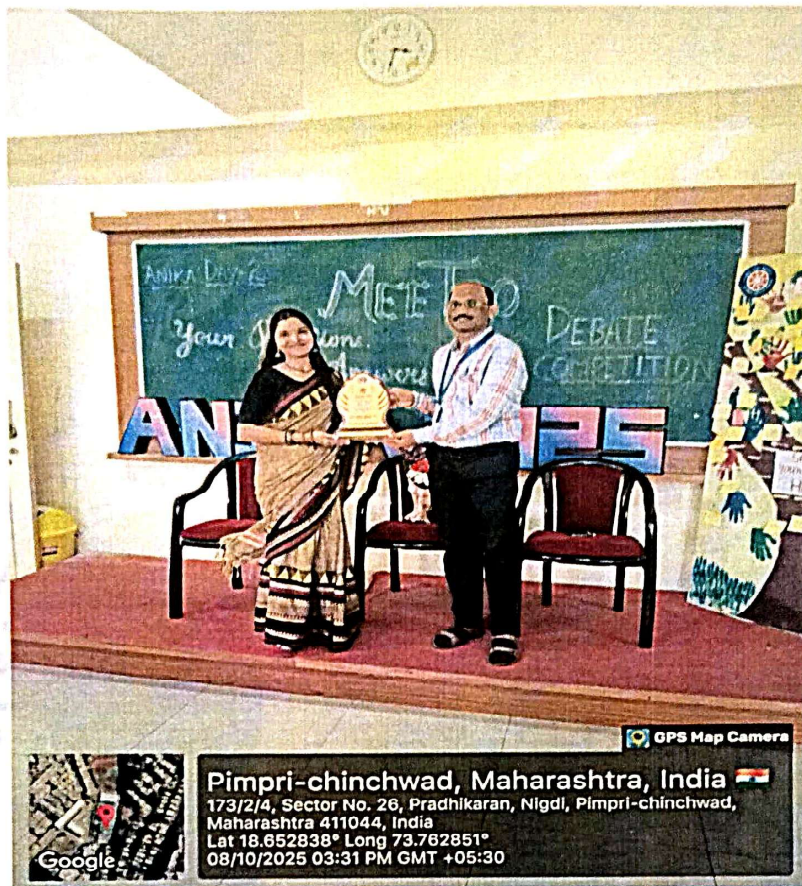

The first session featured an expert talk by a clinical psychologist, who addressed common mental health challenges faced by youth, including stress, anxiety, and self-doubt. The speaker emphasized the importance of self-care, emotional resilience, and seeking help when needed. The session proved highly insightful and helped students gain practical guidance on maintaining a balanced and healthy mindset.

The second segment consisted of a debate competition on the themes of women empowerment and youth issues. Participants actively presented their views, supporting and opposing various perspectives with confidence and clarity. The debate fostered critical thinking, awareness, and mutual respect among participants. Overall, the event successfully created a platform for learning, expression, and meaningful discussion on issues that are vital to today's generation.

Name of Programme:	ANIK Day 3: Navdurga		
Date of Programme:	09/10/2025	Venue:	Seminar Hall , Mechanical building
No of Volunteers:	72	No. of Beneficiaries:	90
Budget Sanctioned	15000/-	Budget Utilized	15000/-

Description:

The event "Navdurga" was organized under the NSS Unit of PCCOE .

Navadurga is a vibrant celebration rooted in the tradition of worshipping the nine forms of Goddess Durga, representing strength, courage, and feminine power. This event is dedicated to embracing cultural heritage and spiritual devotion while highlighting the diversity and beauty of each aspect of the goddess. It also serves as a platform for creativity, empowerment, and community bonding, blending ceremonial activities with engaging entertainment.

The Navadurga event aims to honor these deities through rituals, artistic performances, and social interactions, inviting participants to connect with the divine while fostering unity and celebration.

Ramp Walk : Devi & Dharma: Celebrating the Women and Her Upholder

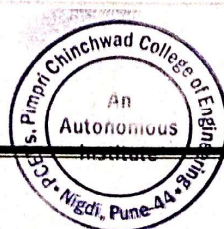

The ramp walk is transformed into a narrative runway, drawing a direct parallel between the nine forms of Goddess Durga and nine fields of societal contribution (e.g., Medicine, Education, Arts, Public Service). Each segment celebrates a woman who has made a major, measurable contribution to society or the country.

A fusion of traditional and modern attire, with the woman's ensemble subtly or explicitly inspired by the symbolism and colors of a specific Navdurga form and her profession. The focus is on 'power dressing' with a cultural and divine undertone.

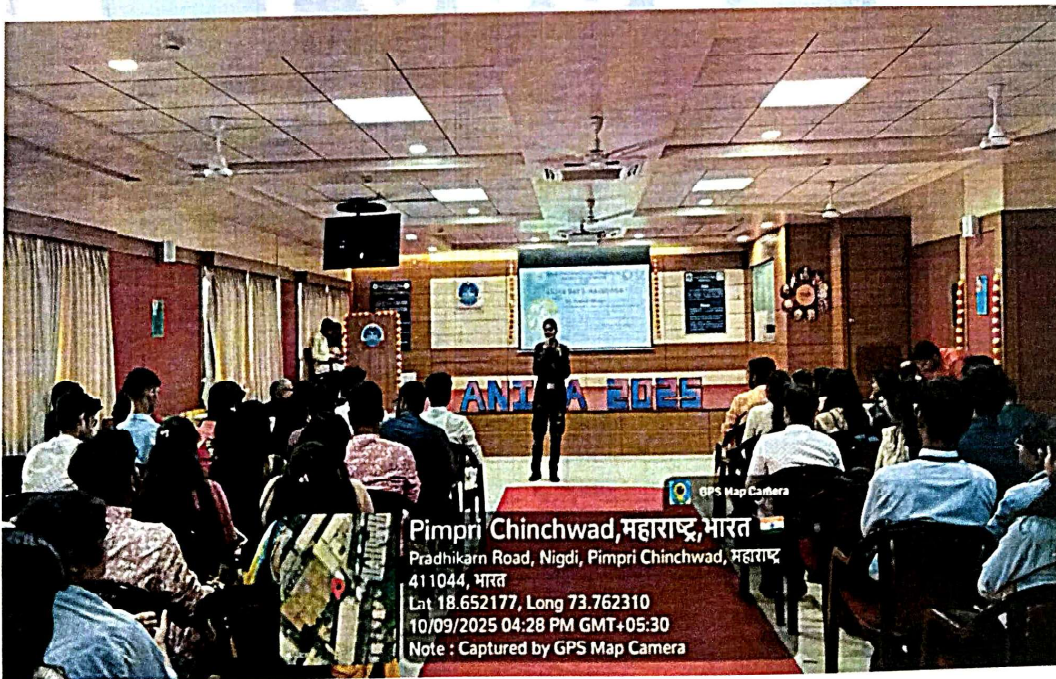

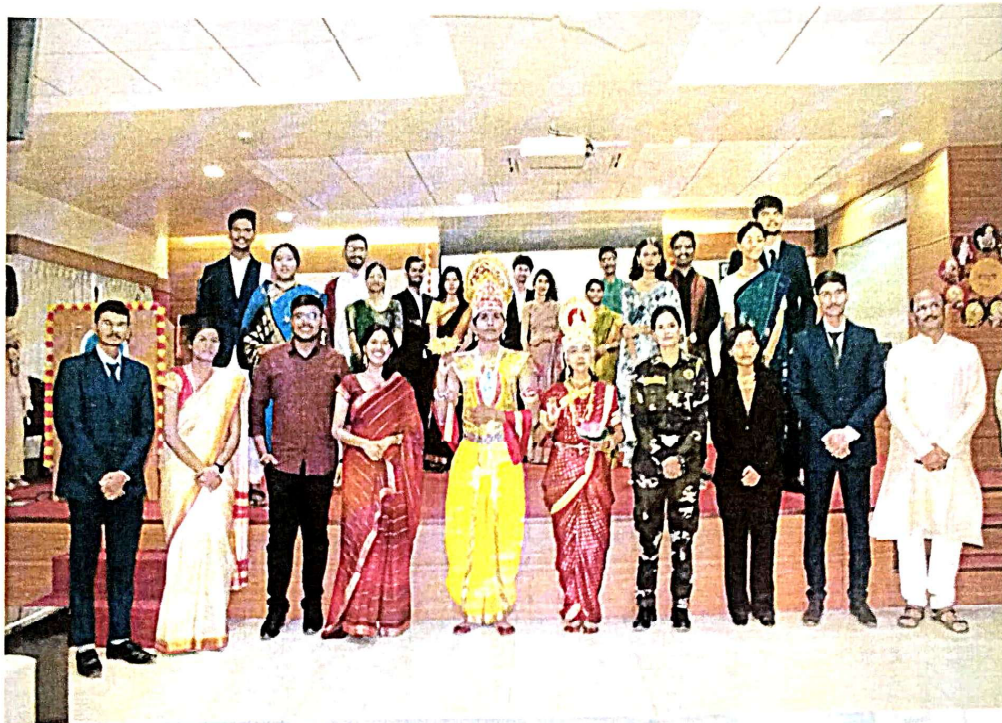

The women achievers walk the ramp accompanied by their husbands.

In this vibrant segment , one boy and one girl represent each pair of devi & dharma :

The concept : The one girl, one boy concept for this Navdurga ramp walk is a powerful tribute to shared success and modern partnership. It features the Woman Achiever as the contemporary embodiment of Shakti, celebrated for her major contribution to society or the country. She walks alongside her Supporting Husband, who is honored as the essential Saathi (companion), symbolizing the crucial, often-unseen foundation of support and encouragement that enabled her triumph. This visual pairing creates a compelling narrative that celebrates not just individual achievement, but the equal and reciprocal alliance necessary for a woman to reach her full potential and make a profound public impact.

No of Volunteers:	15	No. of Beneficiaries:	1000+
Budget Sanctioned	00	Budget Utilized	00

Description

The National Service Scheme (NSS) unit of Pimpri Chinchwad College of Engineering successfully conducted a streetwalk awareness campaign to commemorate the 150th birth anniversary of Sardar Vallabhbhai Patel, known as "Sardar@150." This initiative aligned with the national Rashtriya Ekta Diwas (National Unity Day) celebrations and promoted awareness about the Iron Man of India's legacy of unity, integrity, and nation-building and also to spread awareness about Sardar Patel's contributions to Indian independence and national unity among the community. Streetwalk started from Chaphekar Chouk, Chinchwad and ended at Dange Chouk. The presence of the MLA Mr. Shankarbhai Jagtap and his team added significant value to the initiative, enhancing community engagement and lending institutional support to the NSS's civic awareness mission. Through this activity, the 15 NSS student volunteers gained: Enhanced understanding of Sardar Patel's pioneering role in India's integration, Experience in community outreach and public engagement, Firsthand insights into civic participation and institutional responsibility Strengthened commitment to nation-building values.

Date of Programme:	04/12/2025	Venue:	PCET'S PCCOE 6 TH BUILDING 4 TH AND 5 TH FLOOR
No of Volunteers:	12	No. of Beneficiaries:	30
Budget Sanctioned	Nil	Budget Utilized	Nil

Description:

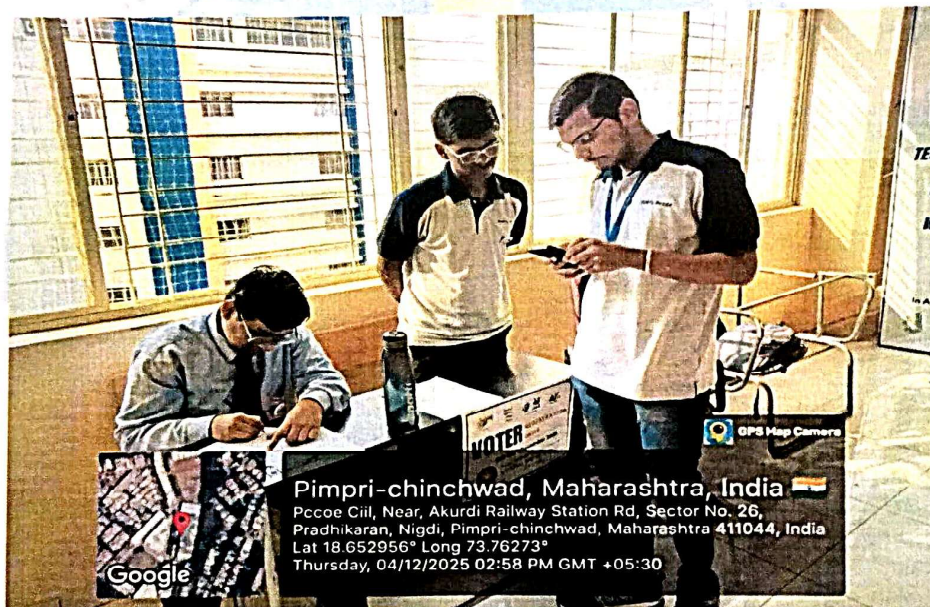

The NSS Unit of PCCOE organized a Voter Registration Drive on 4th and 5th December 2025 to spread awareness about the importance of voter registration and democratic participation. Volunteers explained the importance of a Voter ID card, including its use for identification, voting rights, preventing fraud, and accessing government services.

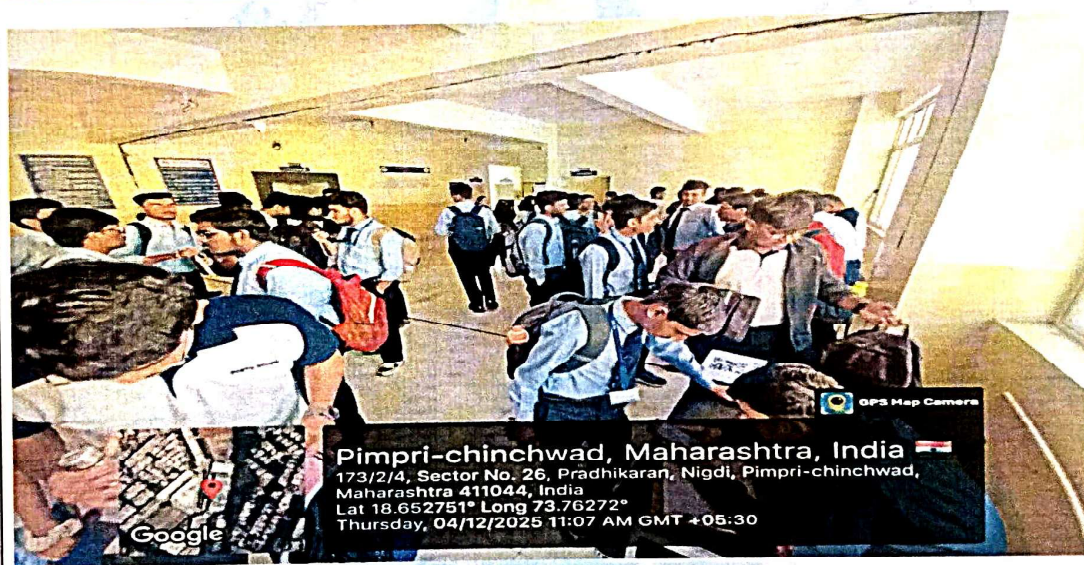

More than 250 students visited the help desks, but only 3 students were able to register because only students with birthdates before 1 October 2006 were eligible to apply.

The drive was conducted on different floors of the college building with the help of NSS volunteers who guided students and managed the registration process.

Volunteers:

- 4th Floor (Near 6401): Kashish Jangid, Pratik Phapale, Pradnya Chaudhary
- 4th Floor (Near 6409): Yuvraj Chilwant, Krushna Gitte, Aryan Navale
- 5th Floor (Near 6502): Prashant Khaigave, Soham Ganvir, Kavya Marathe
- 6th Floor (Near 6504): Omsai Giri, Sudhir Salunke, Swaroop Maluskar.

Date of Programme:	13/12/2025	Venue:	Fergusson College, Shivajinagar, Pune
No of Volunteers:	20	No. of Beneficiaries:	1000+
Budget Sanctioned	Nil	Budget Utilized	Nil

Description:

The Pune Book Festival 2025 was held at Fergusson College Grounds, Pune, and organized by the National Book Trust (NBT) along with its partners. It featured around 900 stalls offering a vast collection of books across all genres, age groups, and languages, including academic, scientific, children's, religious, and spiritual books. The nine-day festival included book launches, a Children's Corner with storytelling and art workshops, an Author's Corner for interactions and book signings, food stalls, photography exhibitions, and a special "Joy of Reading" themed literary marketplace.

NSS students from PCCOE, Nigdi visited the festival along with their teachers and actively participated in activities such as the "Granth Dindi," which brought together students from various colleges. The event provided an energetic and vibrant atmosphere that encouraged interaction, learning, and a love for reading. Overall, the visit was a memorable and enriching experience for students, volunteers, and teachers, making the Pune Book Festival 2025 a true celebration of literature.

Name of Programme:	Vyasnmukti (Addiction-Free Awareness) Skit		
Date of Programme:	14/01/2026	Venue:	Front side of Green Institute, Rohkal Road, Chakan, Taluka Khed, District Pune.
No of Volunteers:	09	No. of Beneficiaries:	250+
Budget Sanctioned	-	Budget Utilized	-

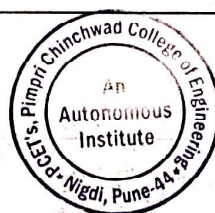

Description:

A street play based on the theme "Vyasnmukti (Addiction-Free Awareness)" was successfully performed to spread awareness about the harmful effects of addictions and unhealthy habits. The event was organized by Maharashtra Andhshraddha Nirmulan Samiti, Shakha Chakan, in collaboration with Vasundhara Bahuuddeshiya Sanstha.

The street play competition was held on 14 January 2026 in front of Green Institute, Rohkal Road, Chakan, Taluka Khed, District Pune. A total of nine groups participated in the competition, and our team also took part with great enthusiasm. The play was performed by 10 participants, and the total duration of the performance was 17 minutes.

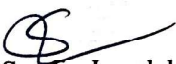

The main objective of the play was to create awareness about addiction-free living. The performance highlighted issues such as avoiding alcohol consumption, discouraging children from consuming strong cold drinks, reducing mobile addiction, and promoting a healthy and disciplined lifestyle. Through powerful dialogue and acting, the play conveyed an important social message to the audience.

The performance received a very positive response from the audience and judges. Among all the participating groups, our team secured the 2nd Prize in the competition. In addition, Ved Mahajan was awarded the Best Actor Award for his outstanding and impactful performance, making the event a proud and memorable achievement for the team.

No of Volunteers:	15	No. of Beneficiaries:	70
Budget Sanctioned	15000/-	Budget Utilized	15000/-

Description

The NSS Unit of Pimpri Chinchwad College of Engineering successfully organized the event "Durg Rahasya" on 16 February 2026 at classrooms 9412 and 9510. The event aimed to promote historical awareness, analytical thinking, and team coordination among students through an engaging competition based on Maratha history and forts. The competition consisted of two rounds: Round 1, Durg Darshan, was a visual identification round where participants identified forts based on images and observation skills, and Round 2, Gupt Sandesh, was a pen-paper round in which participants analyzed historical statements and identified the related fort or personality, encouraging logical interpretation and knowledge application. A total of 39 teams participated enthusiastically in the event, and NSS volunteers efficiently managed registration, discipline, and coordination to ensure smooth execution. Participants actively engaged in the competition and demonstrated strong interest in history and strategic understanding. The event concluded successfully with great participation and positive feedback from students, and overall Durg Rahasya achieved its objective of combining knowledge, competition, and cultural awareness in an interactive format.

Description:

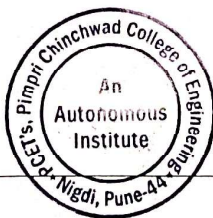

The NSS Unit of Pimpri Chinchwad College of Engineering (PCCOE) successfully organized a Rangoli Competition on 17th February 2026 at the Architecture Building near the cafeteria as part of the flagship event "Durgvedh 3.0." The Rangoli Competition was conducted as one of the sub-events to celebrate and honor the life and legacy of Chhatrapati Shivaji Maharaj while promoting creativity and cultural awareness among students.

The competition encouraged students to express their respect and admiration for Shivaji Maharaj through artistic rangoli designs. Participants beautifully depicted themes related to his courage, leadership, vision of Swarajya, and contributions to Indian history, showcasing their creativity and dedication.

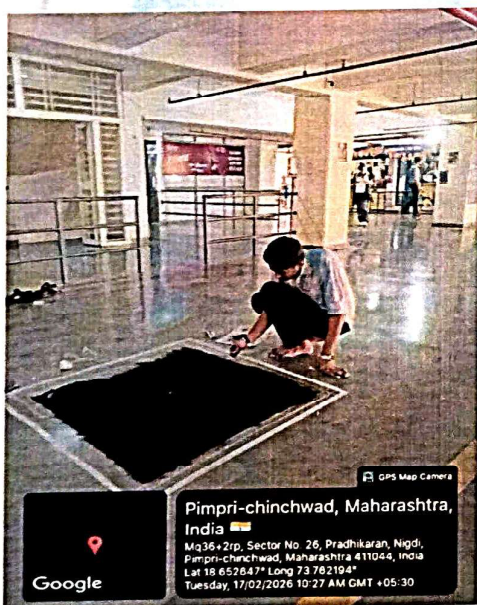

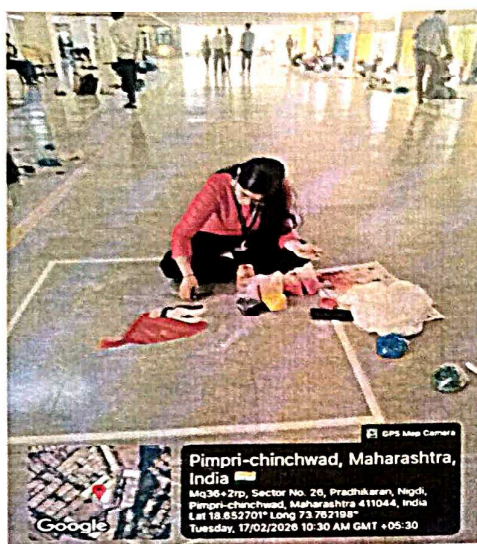

The main aim of the event was to spread awareness about the values and ideals of Shivaji Maharaj and inspire students to understand their importance in today's society. Through art and cultural expression, the event promoted a sense of patriotism, responsibility, and pride in Indian heritage among the participants.

The program was conducted smoothly under the guidance of faculty members and NSS coordinators. NSS volunteers efficiently managed the registration process, event coordination, and discipline, ensuring the successful execution of the competition.

Students participated with great enthusiasm and displayed excellent artistic skills and innovative ideas in their rangoli designs. The competition concluded successfully with positive feedback from both participants and judges, making it a memorable part of the Durgvedh 3.0 celebration.

Date of Programme:	18 th Feb 2026	Venue:	Round I – 9412, 9510 Classroom Round II – College Campus
No of Volunteers:	12	No. of Beneficiaries:	90
Budget Sanctioned	14000/-	Budget Utilized	14000/-

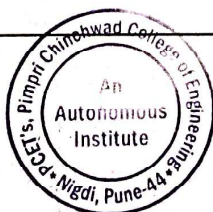

Description:

The NSS Unit of Pimpri Chinchwad College of Engineering successfully organized the competition “**Shodhsutra**” on 18th February 2026 as part of the main event “Durgvedh”. The Shodhsutra event was conducted to enhance students’ knowledge of the history, forts, administration, and inspiring stories related to Chhatrapati Shivaji Maharaj in an interactive and engaging format.

The competition consisted of two rounds. The first round was a quiz competition conducted in pen-paper format, where participants answered multiple-choice questions based on the life, achievements, military strategies, and historical events associated with Shivaji Maharaj. This round tested the participants’ historical knowledge, analytical thinking, and attention to detail.

The second round was conducted in the form of a treasure hunt, where selected teams followed a series of clues placed across the college campus. Each clue was designed to connect with historical references and events related to Shivaji Maharaj. The round encouraged teamwork, quick thinking, coordination, and problem-solving skills as participants actively searched for clues throughout the campus.

Multiple teams participated enthusiastically in the competition. The event was smoothly coordinated by NSS volunteers, who managed registration, clue arrangements, discipline, and overall execution efficiently. The competition created an energetic and competitive atmosphere while promoting historical awareness and appreciation of Shivaji Maharaj’s legacy. The event concluded successfully with active participation and positive feedback from students and faculty members. Overall, “Shodhsutra” effectively combined knowledge, strategy, teamwork, and cultural awareness, making it a meaningful and engaging tribute to Chhatrapati Shivaji Maharaj Jayanti.

Description:

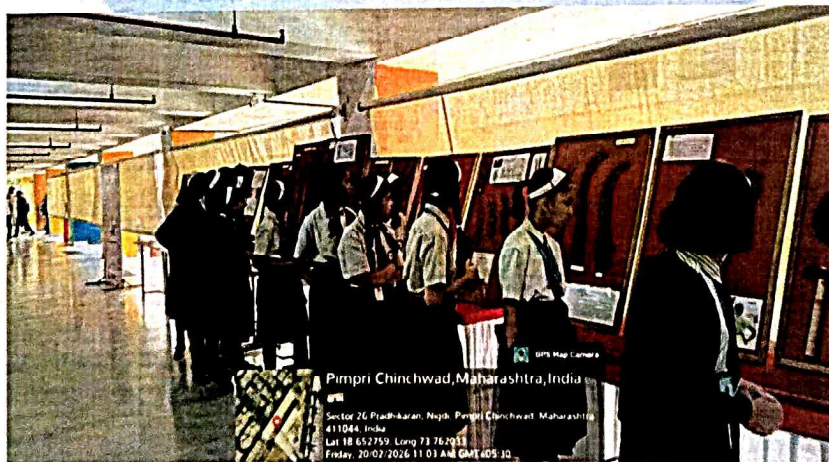

The NSS Unit of Pimpri Chinchwad College of Engineering successfully organized the event "Weapon Exhibition" on 20th February at the Architectural Building near the cafeteria. The exhibition aimed to showcase India's rich historical legacy and highlight the valor, tradition, and warfare techniques of the Maratha period.

The event displayed replicas and preserved models of original weapons from the era of Chhatrapati Shivaji Maharaj, offering students an opportunity to witness the craftsmanship and strategic importance of historical arms used during that time. The exhibition included traditional weapons such as swords, spears, shields, and daggers, each accompanied by brief descriptions explaining their historical significance and battlefield usage.

Students enthusiastically visited the exhibition and learned about the historical significance and strategic importance of these weapons. The event successfully promoted awareness of our heritage and instilled pride in our cultural legacy.

No of Volunteers:	2	No. of Beneficiaries:	31
Budget Sanctioned	12000/-	Budget Utilized	12000/-

Description:

The NSS Unit of Pimpri Chinchwad College of Engineering (PCCOE) organized a Reel Making Competition under the flagship event "Durgvedh" from 16 February to 22 February 2026 in online mode. The competition was based on the inspiring theme of Chhatrapati Shivaji Maharaj and aimed to promote historical awareness, creativity, and digital storytelling skills among students.

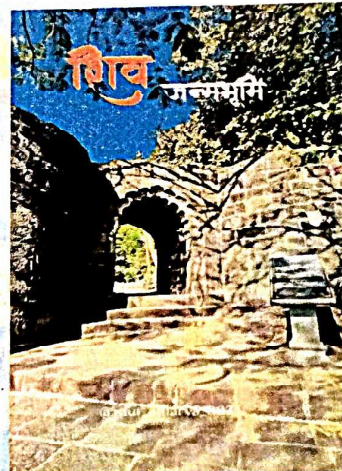

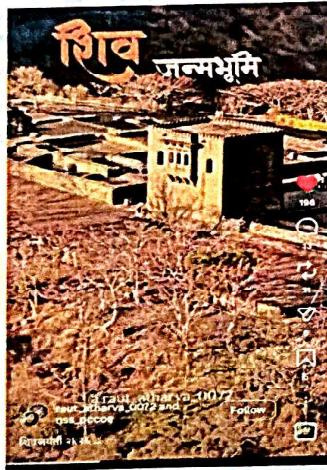

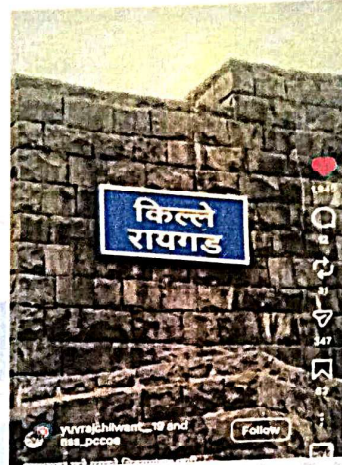

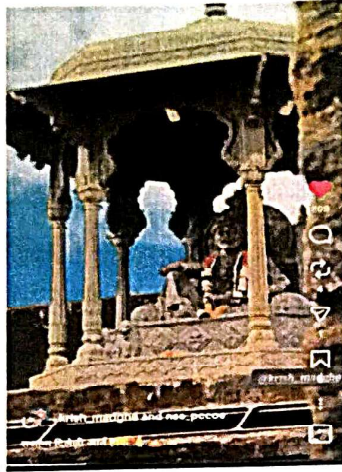

Participants were encouraged to create short reels based on creative themes such as "If Forts Could Speak," "A Day Inside the Fort," and "Forts Reborn." These themes allowed students to explore the historical importance of forts associated with Shivaji Maharaj and present their ideas through engaging visual content.

A total of 31 participants enthusiastically submitted their reels within the given timeframe. The entries reflected innovative ideas, storytelling, and a strong sense of cultural pride, showcasing the participants' creativity and understanding of Maratha history. The competition concluded successfully with active participation and positive feedback from the judges and organizers.

Samarth Patil secured the Winner position for his outstanding and creative reel, making the event a meaningful platform that combined history, culture, and digital creativity.

Name of Programme:	Fort Making Competition		
Date of Programme:	13/02/2026 & 16/02/2026 - 22/02/2026	Venue:	LRDC hall & Boys hostel basement
No of Volunteers:	15	No. of Beneficiaries:	70
Budget Sanctioned	40000/-	Budget Utilized	40000/-

Description

The Fort Making Competition was one of the main events under Durgvedh 3.0, organized by the NSS Unit of Pimpri Chinchwad College of Engineering (PCCOE) to promote awareness about the historical importance of Indian forts and encourage creativity, teamwork, and engineering concepts among students.

The competition was conducted in two rounds. Round 1, held on 13th February 2026, was the PPT Presentation Round, where teams presented information about their selected forts, including history, architecture, and geographical significance. The presentations were evaluated by Mr. Nilesh Gavade and Mr. Manoj Kakade.

Round 2, the Fort Building Round, was conducted from 16th to 22nd February 2026, where selected teams built physical models of forts. The models were judged by Mr. Manoj Kakade and Mr. Ravi Fuge based on design, detailing, creativity, and stability.

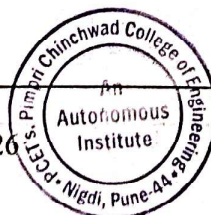

Overall, the event received enthusiastic participation from students and successfully promoted heritage awareness, creativity, and practical learning under Durgvedh 3.0.

Round 2 was the Fort Building Round, which was conducted from 16th February 2026 to 22nd February 2026. In this round, the selected teams constructed physical models of forts using various materials. The students demonstrated their creativity, structural understanding, teamwork, and

practical implementation of design concepts while building the fort models. The final evaluation of the fort models was conducted on 22nd February 2026. The judge for Round 2 was Hon. Mr.

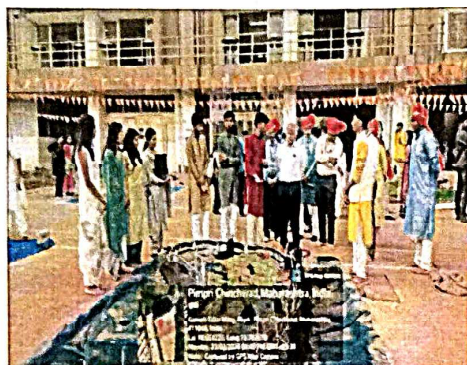

Manoj Kakade and Hon. Mr. Ravi Fuge, who assessed the models based on design accuracy, detailing, creativity, structural stability, and overall presentation.

The prizes for the competition were awarded through two methods. In the Judges' Round, winners were selected based on the expert evaluation of the fort models by the judge. In the Voting Round, winners were selected based on voting by participants and attendees, which encouraged student involvement and audience participation in the event.

Overall, the Fort Making Competition was successfully conducted and received enthusiastic participation from students. The event provided students with an opportunity to learn about Indian heritage, improve their research and presentation skills, and apply engineering and creative concepts in a practical way. The competition was a significant and engaging activity under Durgavedh 3.0 and contributed to the cultural and educational objectives of the NSS unit.

No of Volunteers:	12	No. of Beneficiaries:	115
Budget Sanctioned	11000/-	Budget Utilized	11000/-

Description

The NSS Unit of Pimpri Chinchwad College of Engineering (PCCOE) organized an inspiring historical session on 17 February 2026 at the Seminar Hall of the college as part of the celebrations related to Chhatrapati Shivaji Maharaj Jayanti. The session was conducted with the aim of spreading awareness about the life, leadership, and remarkable contributions of Chhatrapati Shivaji Maharaj. Around 115 students enthusiastically participated in the program, showing great interest in learning about the rich history and legacy of the Maratha empire.

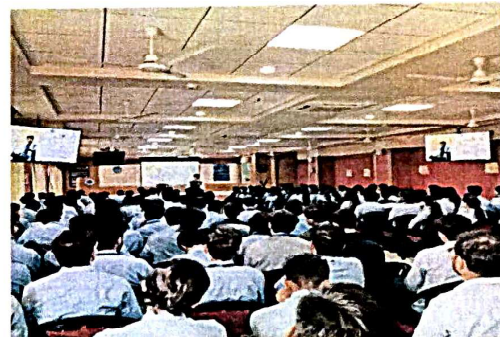

The keynote lecture was delivered by Hon. Shubham Mote Sir, who presented a highly engaging and insightful talk on the vision, courage, and administrative brilliance of Shivaji Maharaj. Through powerful narration and real-life historical examples, he explained how Shivaji Maharaj established the concept of Swarajya, built strong forts, and demonstrated exceptional leadership and strategic thinking. His storytelling approach helped students connect emotionally with the historical events and understand their significance in today's context.

The program was honored by the presence of Associate Dean Dr. Rajkamal Sangole and NSS Programme Officer Prof. Sandip Jagdale Sir, whose guidance and encouragement added value to the session. They appreciated the efforts of the NSS unit for organizing such an educational and culturally enriching event that helps students learn beyond their academic curriculum.

The session not only enhanced students' historical knowledge but also inspired them with important values such as leadership, bravery, discipline, and dedication to society. It encouraged students to take pride in India's rich heritage and to follow the ideals of Shivaji Maharaj in their personal and professional lives.

Overall, the event was conducted successfully and received positive feedback from students and faculty members. The historical session proved to be a meaningful initiative that combined education, culture, and inspiration, effectively achieving its objective of spreading awareness about the glorious legacy of Chhatrapati Shivaji Maharaj.

Date of Programme:	24/02/2025	Venue:	Architecture Building Cafeteria
No of Volunteers:	30	No. of Beneficiaries:	120
Budget Sanctioned	-	Budget Utilized	-

Description:

The Felicitation Ceremony of Durgvedh 3.0 was successfully conducted by the National Service Scheme (NSS) unit of Pimpri Chinchwad College of Engineering on 24th February 2026 at the Seminar Hall, Mechanical Building. The ceremony commenced with the gracious arrival of the esteemed dignitaries, followed by their warm welcome and felicitation. The traditional lamp lighting ceremony marked an auspicious beginning, symbolizing the spread of knowledge and positivity. The honorable guests addressed the gathering and appreciated the dedication, creativity, and teamwork displayed by students throughout the various competitions conducted under Durgvedh 3.0.

The ceremony celebrated the remarkable efforts of participants in events such as Fort Making Competition, Reel Making Competition, Rangoli Competition, Shodhsutra, and Durga Rahasya. These competitions reflected innovation, artistic excellence, research aptitude, and cultural awareness among students. The highlight of the program was the grand Prize Distribution segment, where winners were honored from the impressive prize pool of 46K+, recognizing their hard work and outstanding achievements. The event concluded with a heartfelt vote of thanks, expressing gratitude to the respected guests, faculty members, organizers, volunteers, and participants for their valuable contribution in making the ceremony a memorable and successful occasion.

Name of Programme:	Blood Donation Campaign		
Date of Programme:	17/03/2026	Venue:	PCCOE campus
No of Volunteers:	24	No. of Beneficiaries:	-
Budget Sanctioned	8000/-	Budget Utilized	8600/-

Description:

The NSS Cell of PCCOE successfully organized a blood donation camp on 17th March 2026 with the objective of fostering a sense of social responsibility and humanitarian values among students. The camp was conducted in collaboration with Akshay Blood Bank and Sassoon Blood Bank, ensuring proper medical supervision and safe donation procedures.

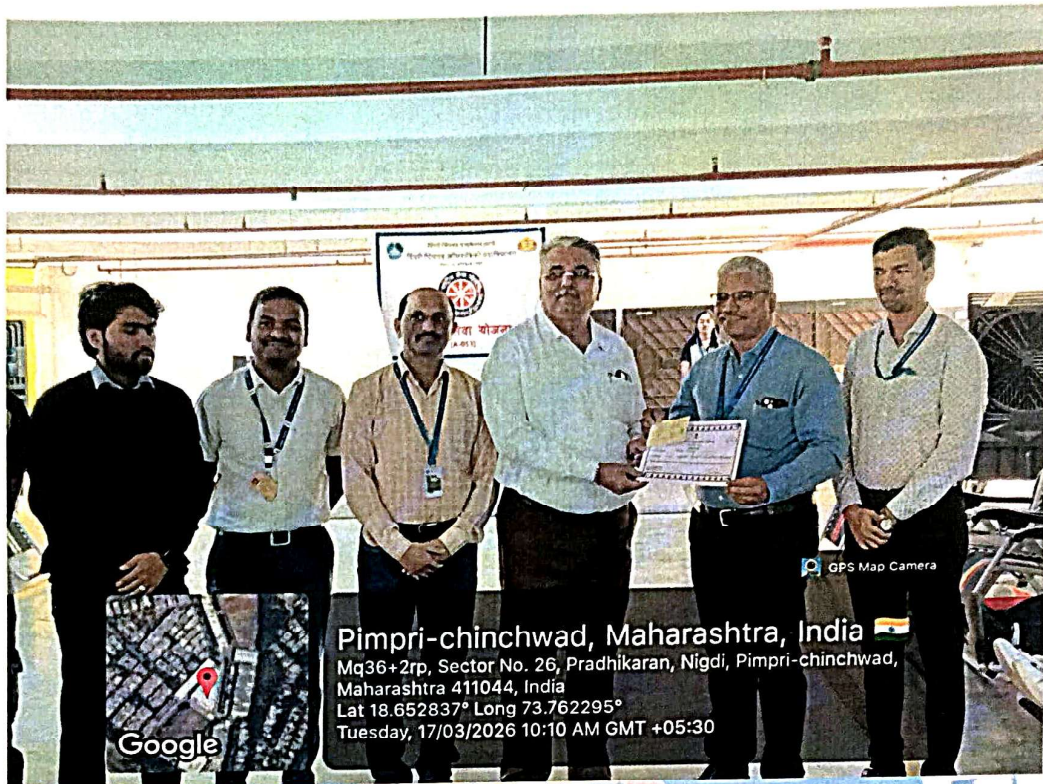

The initiative witnessed enthusiastic participation from students, faculty, and staff members, reflecting their commitment towards community service. Prior to donation, all necessary health check-ups and screening procedures were carried out by medical professionals to ensure donor safety. The well-organized arrangements and supportive environment encouraged many first-time donors to come forward and contribute.

A total of 154 bottles of blood were collected during the camp, marking the event as a significant success. The collected blood will play a crucial role in saving lives and supporting healthcare services. Overall, the camp not only contributed to an important social cause but also helped in spreading awareness about the importance of voluntary blood donation.
