**Description of the Event:** The Higher Education and Competitive Exam Cell of PCCoE (Pimpri Chinchwad College of Engineering) successfully organized a dynamic and intellectually stimulating Current Affairs Quiz on 21st & 26th February 2026 at PCCoE. The event aimed to enhance students' awareness of national and international developments while fostering analytical thinking and team collaboration.

The quiz was conducted in two exciting rounds:

### **Round 1: Online Preliminary Round**

The first round was conducted online on 21st February via Wayground. Teams consisting of three members each participated in a carefully curated questionnaire covering topics such as national affairs, international relations, economics, science & technology, sports, awards, government schemes, and recent global events. Out of 101 teams, 7 qualified for the final round based on their scores.

## **Round 2: Offline Buzzer Round**

The shortlisted teams advanced to the thrilling offline buzzer round held on 26th February at LRDC Hall at 11am. This round tested participant' quick thinking, accuracy, and teamwork under time pressure. The competitive atmosphere and enthusiastic participation made the event both engaging and intellectually enriching.

The quiz was coordinated under the guidance of Mr. Ashok Suryavanshi and Mr. Atul Pawar, with active support from Mr. Ayush Patil, Mr. Jayvardhan Gaikwad, Mr. Danish Sayyad, and other student coordinators from Vijigiksha Cell.

### **Results:**

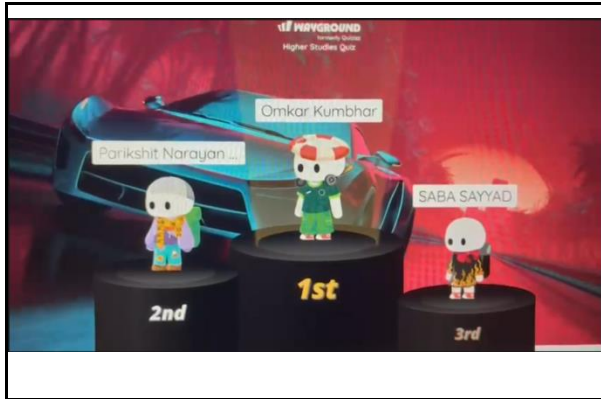

- **1st Prize:** Team Lakshya - Parikshit Rajpurohit, Khushie Mohod, Krushnakant Patil.
- **2nd Prize:** Team Nova - Omkar Kumbhar, Bhunit Hambire, Eshal Shaikh.
- **3rd Prize :** Team Ace - Siddhesh Parkar, Shivam Reshi, Aqib Mirza.

The event witnessed participation of students from all departments and years and received an overwhelming response from students. It successfully fulfilled its objective of encouraging awareness about current affairs and motivating students to stay informed in preparation for competitive examinations and higher education opportunities.

The Higher Education and Competitive Exam Cell looks forward to organizing many more such knowledge-driven initiatives in the future.
