Website and Logo Reveal Ceremony Report		

Academic Year: 2025-26 Higher Education and Competitive Exam Cell Date: 06/03/2026

विजिगीषा

The Higher Education and Competitive Exam Cell “विजिगीषा” of Pimpri Chinchwad College of Engineering organized the Website and Logo Reveal Ceremony on 26 February 2026 at 9:30 a.m. at LRDC Hall. The event marked a significant initiative toward strengthening institutional support for students aspiring to pursue higher education and competitive examinations such as GATE, GRE, CAT, UPSC, and other national and international examinations.

The program commenced with a welcome address, followed by an overview of the vision and objectives of the विजिगीषा Cell, which focuses on empowering students through structured guidance, mentorship, and access to relevant academic resources for higher studies and competitive examinations.

During the ceremony, the official logo of “विजिगीषा” was unveiled by Deputy Director Dr. N. B. Chopade, followed by the launch of the official website of the Cell. Mrs. Sarika Bartakke, Assistant Professor (CSE-AIML), provided an overview of the website, highlighting its role as a centralized platform offering information on higher education opportunities, competitive examination preparation, and alumni mentorship.

The student website development team comprising Himanshu Dhakad, Abhay Patil, and Aniket Shinde was appreciated for their efforts in developing the website, while the logo design competition winner, Krishna Sawale (FY B.Tech, IT), was felicitated for his creative contribution.

The event was further enriched by the presence of distinguished alumni, including Omkar Patil (Civil), Saurabh Bedmutha (Civil), Rima Topagi (Mechanical), Apoorva Machale (IT), and Capt. Ravendra More (Computer Engineering). Additionally, Viraj Bhandari (Civil) and Sandeep Sharma (E&TC) joined the session online. The alumni shared valuable insights on higher education pathways, career planning, and strategies for preparing for competitive examinations, motivating the students present.

The programme was held in the gracious presence of Dr. N. B. Chopade, Deputy Director, Dr. Padmakar Deshmukh (Dean, SDW), Dr. Sheetal Bhandari (Dean, FDW), Dr. P. R. Kale (Head, Mechanical Engineering), and Dr. Ajay Gaikwad (Head, Civil Engineering), along with faculty members and students.

The event concluded with the screening of a promotional reel of the Higher Education and Competitive Exam Cell “विजिगीषा,” highlighting the initiatives and opportunities offered by the Cell. This was followed by a vote of thanks delivered by Dr. Ashok Suryawanshi, Associate Dean, Higher Education and Competitive Exam Cell “विजिगीषा,” who expressed gratitude to the dignitaries, alumni, faculty members, student contributors, and participants for their support in making the programme successful.

The ceremony marked the official unveiling of the विजिगीषा Cell logo and website, reflecting the institute’s commitment to encouraging higher education aspirations and supporting students in their preparation for competitive examinations.
