IQAC Meeting 1: Minutes of Meeting

Academic Year 2025-26	IQAC Meeting 1- Dated 26 July 2025, at 11.00 AM
Venue- Conference Hall, Admin Building	Members: External and Internal IQAC Members
Attendance of Members	Recorded as separate sheet

The first meeting of Internal Complaint Committee Cell (IQAC), PCCoE, for Ac. Yr. 2025-26 was held on 26th July 2025 in Conference room, Admin building at 11.00 AM.
The following matters as agenda were discussed and it was resolved to implement them.

Agenda Points:

1. Welcome to IQAC Members
2. Introduction to PCCOE
3. Confirmation of the Minutes of Meeting (MoM), IQAC meeting held on 25th Jan 2025
4. Review and target setting of Quality Parameters
5. Institute Strategic Plan presentation and Approval
6. Planning of NAAC, NBA, and ISO activities
7. Suggestions from Student, Alumni, Industry, Parent and Committee members
8. Approval of IQAC Activity Calendar for 2025–26
9. Any other point with the permission of the Chair

1. Welcome to IQAC Members

The IQAC Coordinator welcomed all committee members and extended warm greetings to all of them.

2. Introduction to PCCOE

The IQAC Coordinator briefed the members about the PCET Trust, its campuses, and the constituent institutes.
She presented Vision and Mission of PCCoE with an overview of the Undergraduate (UG) and Postgraduate (PG) programs offered. She highlighted Best Practices in PCCoE. She also highlighted, the Academic year will be celebrated as AI year.

3. Confirmation of the Minutes of Meeting (MoM), IQAC meeting held on 25th Jan 2025

The minutes of the previous meeting were presented by the IQAC coordinator and it was confirmed and approved by all members in the meeting. It was recommended to maintain the action taken report

4. Review and target setting of Quality Parameters

The IQAC Coordinator outlined the purpose and objectives of the IQAC and initiated the discussion on section-wise Quality Parameters (QPs), along with setting specific targets for each functional cell. The Quality parameters for Academic Year 24-25 was presented by concerned authorities for their attainment and review.

The Administration related Quality Parameters (QPs) and Quality Levels (QLs) were presented by Dr. N.B.Chopade, Dean Admin. The attainment for AY 24-25 were satisfactorily met and target for AY 25-26 was decided.

It was recommended to revisit QP related to girl's student enrollment, as its not under institutes control but institute can put efforts towards activities promoting safe environment for girl students. Similarly, institute must promote healthy and safe environment for female faculty members. The QP related to Female faculty can be revised on the basis of efforts taken for girls and female faculty members.
As SDW QPs and QLs are updated as per new processes, it was suggested to add student enrollment ratio in Admin QPs and QLs

Dr. K. Rajeshwari, Dean Academics shared the Quality Parameters and targets related to academic performance. All QP and QL attainment are met as per target but the Academic Representative suggested to define measurement methodology more precisely. Director Sir and Chairperson of IQAC, supported the discussion with Knowledge Skill and Attitude (KSA) attainment framework at PCCOE and suggested to enhance its effectiveness.
Additionally, the Academics section highlighted academic initiatives and efforts during the Academic Year 2024–25, focusing on the assessment and evaluation of academic outcomes

Dr. N. R. Deore, Dean, R&D presented Quality Parameter with targets for 25-26. Dr. P. B. Mane, suggested to propose a strategic revision of targets related to Patents, Copyrights, and Trademarks for the upcoming academic years. These revisions aim to align with evolving research output, faculty engagement, and innovation trends. With the growing emphasis on innovation and applied research at PCCoE, each one anticipates a higher volume of patentable outcomes and also product development.
Dr. Kuastubh Sakhare recommended establishing specific targets for key sectors, including AI implementation in agriculture and emphasizing innovation and outreach programs to benefit the local community.
To support of this, Director Sir, shared 'Artificial Intelligence Year' has been approved and also Team PCCoE initiated activities towards celebration of AI Year. Dr. Anuradha Thakre, HoD, AI & ML Department further elaborated a plan of conduction of series of events on Artificial Intelligence for the year has been prepared and approved.

Dr. Roshani Raut, Dean International also proposed integrating AI-related themes into the 'Indradhanu' International Grand Challenge 2025 program to enhance outreach and community engagement. This PCCoE Hackathon will foster innovation and AI-driven solutions for climate change aligning with UN SDG 13: Climate Action through international collaboration and cutting-edge research.

Mr. Jadhav highlighted the significance of consultancy services, emphasizing the collaborative research with industry.
Mr. Mandar Kulkarni, the Parent Representative, suggested that PCCOE could focus on publications in regional languages by faculty and students
Mr. Sakhare highlighted activities promoted by Vigyan Bharati, Pune, and suggested exploring opportunities for collaboration.

Dr. P. A. Deshmukh, Dean of Student Development & Welfare (SDW), presented the quality parameters along with key achievements related to student development and welfare
Dr. Kaustubh Sakhre highlighted the importance of student exchange programs at the international level and suggested initiating a community engagement program. Additionally, Dr. Mane proposed innovative ideas such as creating a batch-wise fund to support students.
Dean IR explained the internship programs and current status of our students about internship in Malaysia and Japan.

The Director Sir also elaborated on various scholarships available, such as the Leela Poonawalla Foundation scholarship, Cybage, Ansys etc.
Dr. Deshmukh shared key points regarding the Alumni Association and highlighted various IQAC activities conducted throughout the year, such as Social Responsibility Awareness, Fit Me–Fit India, and Plastic-Free Campus initiatives.

Dr. Rawandale, Dean III, presented achievements with target for placements and internships. Dean of Industry Institute Interaction (III) provided insights about the Platinum Project initiative and its implementation throughout institute.

Dr. Sheetal Bhandari, Dean of Faculty Development & Welfare (FDW), presented the quality parameters and key achievements related to faculty development.
The Dean of FDW also presented various IQAC activities aimed at enhancing faculty engagement and institutional quality.

Dr. Rajani PK, Dean IIESD, reviewed IIC Ranking index and outlined Q1 and Q4 activities including Yukti, KAPILA, SIH, Idea competition with Performance index 76.92%.
She also presented an IQAC activity titled 'Accelerators and Incubation: Opportunities' for Students, Faculty, and Early-Stage Entrepreneurs. Alumina Representative suggested introducing design content and emphasized the need to create awareness about entrepreneurship.
In response to this, PCCoE introduced a course on entrepreneurship under the Multidisciplinary Minors (MDM) scheme as an initiative to shape students' careers as entrepreneurs.

Dr. Swati Shinde, Dean of MIS, presented the Quality Parameters related to ERP, the institutional website, and systems and IT support. She also reviewed key points and areas of improvement with various IQAC activities.

Dr. Mahesh Kolte, Dean of LLRD, presented the Library Budget Utilization along with key initiatives related to Library and Learning Resource development and usage. The presentation included details on fund allocation, utilization statistics, and efforts to enhance access to digital resources
He also highlighted the activities planned and conducted to enhance resource accessibility and academic support. The activity titled 'Responsible AI in Resource Curation: A Faculty Guide to Value-Driven Learning' was highly appreciated by all members and was formally approved. In particular, the efforts toward content development in regional languages were recognized as innovative and impactful.

The QP and QL attainment and target for all sections are mentioned in Annexure-I

5. **Institute Strategic Plan presentation and Approval:**
   A brief strategic plan was discussed, and it was decided to present the detailed plan online to all IQAC members for their approval. The AY 2025–26 targets for all subsections were set in alignment with the SDP and discussed during the QP and QL presentations by the concerned Deans.

6. **Planning of NAAC, NBA, and ISO activities:**
   IQAC coordinator outlined the mandatory NAAC, NBA, ISO activities and planning. IQAC coordinator also presented PCCOE Ranking for the 2025. The IQAC Activity calendar is attached as Annexure-II

7. **Suggestions from Student, Alumni, Industry, Parent and Committee members**

The Alumni Representative suggested implementing initiatives such as alumni-guided mentoring programs; establishing an alumni fund to support underprivileged students and innovation projects; strengthening industry–academia linkages through alumni working in corporate sectors; and enhancing the curriculum by incorporating current job market trends shared by alumni.

The Industry Representative emphasized on the inclusion of real-world projects, live case studies, and industry-recognized certifications in the curriculum, as well as collaborative research and consultancy projects in emerging technologies.

8. **Approval of IQAC Activity Calendar for 2025–26:**

IQAC coordinator presented IQAC Activity Planner and it is approved by all IQAC members.

The meeting concluded with a Vote of Thanks.

Dr. Govind Kulkarni
Director, PCCoE

IQAC Meeting 1: Annexure-I

Quality Parameters (QPs) and Quality Levels (QLs) attainment for AY 24-25

QPs and QLs: Administration:

- Budget distribution target - 90%
- Budget utilization target – 80%
- Girl student Enrolment Rates- 28.73%
- Female Faculty/staff ratio- 56%

QPs and QLs: Academics:

- Academic CGPA target- 8.15 and achieved 7.73 for AY 20-24 (7.73) and AY 21-25(7.91)
- Average Program Outcome (PO) Attainment for AY 20-24(41.92) and AY 21-25(42.42):
- Knowledge, Assessment and Attitude (KSA): 55%, 55%, 53%
- Academic audits achieved -80.83%.

QPs and QLs: Research & Development:

- Quality Publications and Citation Index: Quality Publications
- Patents: No of Patents: Filed - 19 , Published -19 & Granted – 5
- Copyrights Trademarks: Copyrights Filed - 15 and Trademark Registered – 08
- Student Projects: categorized as Best, Medium, Good and Average.
- Sanctioned Research Proposals with amount by faculty/student: approximately 50 lakhs
- Testing and Consultancies with sanctioned amount: 10 lakhs

QPs and QLs: Social Welfare Department (SDW):

- Quality of Student Admission: >90%
- Enrollment Ratio:>99%
- Student Participation Index : > 60%
- Student Welfare Index: >60%
- International Student admitted:>80%

QPs and QLs: Industry and Institute Interaction (III)

- Number of Companies Visited: 278: -Target is achieved.
- Percentage of students Placed from Eligible students: 69.74
- Highest Package (Lacs)- 60.34 LPA
- Median Salary (Lacs)- 4.8 LPA
- Number of Companies Offering Internships- 210
- Internship Index- 100%

- Highest Stipend Received by student per month (In Rupees)- 1,10,000 INR

QPs and QLs: Faculty Welfare Development (FDW)

- Faculty Qualification with PhD: 50 %
- Qualification of Laboratory supporting staff : 90%
- Faculty Happiness Index: 86%
- Questionnaire is prepared- Feedback/ survey: in progress

QPs and QLs: Innovation &Entrepreneurship (IEN):

- IIC Ranking Index (Rubrics) : 76.92 %(4 star)

QPs and QLs: Library and Learning Resource Development

- Annual Expenditure on Physical Resources, Books, Journals: 92%
- Annual Expenditure on Electronic Resources including electronic books, electronic journals, :91%
- Documents on education in the library suitable to the three streams of teacher education –general teacher education, special education and physical education: 100%
- Number of teachers and students using library / e-library per working day/ logins in remote access for 10 Day (remote access webpage) :10.91%
