Ref. No.: PCCOE/Exam/Circular/01

Date: 14/10/2026

Year: S.Y. B. Tech.

Academic Year: 2026-27

Semester: III (Odd)

Regulation: 2023, 2020 &amp; 2021

Session: Morning

| Department of Mechanical Engineering |                        |                                                               |            |                           |

| Regulation: 2023          |                                                                              |
|---------------------------|------------------------------------------------------------------------------|
| Course Offered by (Dept.) | <sup>s</sup> Open Elective (Department Specific)                             |
| MECH                      | Industry 4.0 [BME23OE04]                                                     |
|                           | Energy storage Management [BME23OE05]                                        |
| E&TC                      | Biology for Engineers [BET23OE03]                                            |
|                           | Human Behavior, Ethics & Wisdom [BET23OE04]                                  |
| COMP                      | Fundamentals of Database Management System [BCE23OE01]                       |
|                           | Principles of Software Engineering [BCE23OE02]                               |
|                           | Android Application Development with Kotlin [BCE23OE03]                      |
| IT                        | Cyber Security : Understanding Cyber Crimes & Legal Perspectives [BIT23OE02] |
| Civil                     | Total Quality Management [BCI23OE02]                                         |
|                           | Building Services & Maintenance [BCI23OE03]                                  |
| CSE (AI&ML)               | AI for Financial Modelling [BCS23OE01]                                       |
| AS&H                      | Neural Network & Fuzzy Logic Controller [BSH23OE06] (Extra 15 min.)          |

| Regulation: 2023                                       |                                                        |
|--------------------------------------------------------|--------------------------------------------------------|
| # Multi-Disciplinary Minor (MDM-I)                     |                                                        |
| <b>English Literature:</b>                             | Introduction to English Literature (IWL) [BSH23MD01]   |
| <b>German:</b>                                         | German for Daily Discourse (GDD) [BSH23MD07]           |
| <b>Japanese:</b>                                       | Japanese Essentials [BSH23MD13]                        |
| <b>Universal Human Values:</b>                         | Human Psychology Realising Human Potential [BSH23MD19] |
| <b>Smart &amp; Sustainable Cities:</b>                 | Climate Change & Sustainability [BCI23MD01]            |
| <b>Web Development:</b>                                | Fundamental of Web Development [BCE23MD07]             |
| <b>Computer Programming:</b>                           | Fundamentals of Problem Solving [BCE23MD13]            |
| <b>Generative AI:</b>                                  | Introduction to Generative AI [BCS23MD01]              |
| <b>Internet of Things:</b>                             | Principles of Internet of Things [BET23MD11]           |
| <b>Embedded System Design:</b>                         | Sensors & Transducers Technology [BET23MD01]           |
| <b>Entrepreneurship:</b>                               | Fundamentals of Entrepreneurship [BME23MD11]           |
| <b>3D Printing:</b>                                    | Introduction to 3D Printing Technologies [BME23MD31]   |
| <b>Designing with Augmented &amp; Virtual Reality:</b> | Virtual Reality [BIT23MD01]                            |
| <b>उपयोजित मराठी:</b>                                  | ओळख मराठी भाषेशी [BSH23MD31]                           |
| <b>Placement Preparedness:</b>                         | Computational Thinking [BCE23MD19]                     |
| <b>Human Centered Product Innovation:</b>              | Design Thinking [BME23MD41]                            |
| <b>Introduction to Coexistence in Living:</b>          | Understanding Complementariness [BET23MD21]            |
| <b>Digital marketing:</b>                              | Fundamental of Digital Marketing [BCE23MD01]           |
| <b>Product Design &amp; Development:</b>               | Design Thinking [BME23MD21]                            |
| <b>Sanskrit:</b>                                       | Sanskrit Essentials (SE) [BSH23MD25]                   |
